Professional Summary

I am an experienced Software Developer with 8+ years in designing, developing, and maintaining scalable web and mobile applications. I have a very good understanding of modern frontend frameworks, backend development, and API integration. Proficient at leading teams, implementing best practices, and optimizing system performance. I am passionate about delivering efficient solutions while collaborating with cross-functional teams.

Technical Skills

- Frontend: React.js, React Native, Next.js, Tailwind CSS, Bootstrap, SASS

- Backend: Node.js, TypeScript, Express.js, GraphQL, RESTful APIs

- Database: MySQL, MongoDB, Firebase

- DevOps & Tools: Git, GitHub, GitLab, CI/CD (GitHub Actions), Jest, Cypress

- Cloud Services: GCP, Firebase, AWS

- Others: Web & Mobile Application Development, UI/UX Collaboration

Work Experience

Smallgrowr Limited.

Software Engineering Team Lead| February 2024 - June 2025

- Define project architecture, best practices, and technical strategies.

- Lead feature planning, task allocation, and ensure timely delivery.

- Implement state management, modular components, and API integrations.

- Conduct code reviews, mentor developers, and oversee CI/CD implementation.

- Troubleshoot performance bottlenecks and oversee deployments.

RockBank limited

Full-Stack Software Developer | December 2023 – February 2024

• Developed and maintained a mobile application using React.js, React Native, and Firebase.

• Integrated payment gateways and optimized application performance. • Implemented secure authentication processes (JWT, OAuth2).

• Collaborated with UI/UX designers for high-quality user experience.

Productly Limited

Frontend Developer (Remote, Contract) | Oct. 2024 – Dec. 2024

• Developed interactive websites using React.js and Tailwind CSS.

• Integrated RESTful APIs for seamless frontend-backend interaction.

• Debugged and optimized application for better performance.

DoWell Research Limited

Full-Stack Developer | July 2023 – Dec 2023

• Developed dynamic web applications using React.js, Next.js, and Tailwind CSS.

• Built and published reusable NPM packages for development efficiency. • Improved API interactions and application performance.

DataNation Integrated & Analytics Services

Frontend Developer (Contract) | Mar 2023 - May 2023

• Developed responsive web interfaces using React.js, HTML, CSS, and JavaScript.

• Ensured seamless integration with backend services.

• Optimized performance and conducted debugging.

McGeorge Consulting Limited

Frontend Developer | March 2021 – May2022

- Built responsive, interactive websites using React.js and Bootstrap.
- Integrated RESTful APIs and improved application performance. •

Fixed complex bugs and optimized UI components. ## Education

- The Polytech of Sokoto State.

- Higher National Diploma - Computer Science | 2013 - 2015 -

Federal Polytechnic Bauchi.

- National Diploma - Computer Science | 2009 - 2011
